

EVENT OF THE YEAR

RYA Youth Nationals

Last year's RYA Youth Nationals at Largs was nominated by readers and voted the Event of the Year thanks to its fantastic organisation. One nomination read: 'Despite horrendous "white-out" weather only a week before, this event was superbly run across all the youth fleets. But a stand-out was to see so many of our youth sailors getting on with

each other, helping out with boats and boat preparations and behaving like true sportsmen and women. The future of British sailing looks stronger than ever!'

The IFDS worlds in Kinsale and RS Tera Worlds in Weymouth were runners-up, demonstrating how high quality events spanned the width and breadth of Britain and Ireland last year. ▶
